[An Introductory Session for Non Formal Vocational Training](#)

On March 3, 2025, the Grievance Redressal Cell for Persons with Disabilities and the Placement Cell of Bharathidasan Government College for Women (BGCW), Puducherry, jointly organized an informative event titled "An Introductory Session for Non-Formal Vocational Training." The session, hosted on the college campus, focused on specialized career pathways offered by the National Career Service Centre for Differently Abled (NCSC-DA), Puducherry. The program was presided over by the College Principal, Dr. R. Veeramohan, and commenced with a welcome address by Dr. Akilandeshwari Srinivasan, Assistant Professor of English cum Nodal Officer for the Grievance Redressal Cell for Persons with Disabilities. Following this, Placement Officer Dr. N. Chandra, Assistant Professor of English, formally introduced the guest speaker, Dr. Janakiraman, a Vocational Trainer from NCSC-DA.

During his address, Dr. Janakiraman detailed the various government schemes and non-formal vocational training programs designed specifically for students with disabilities. He highlighted key benefits, including dedicated placement support, regional outreach services tailored for different categories of Persons with Disabilities (PwDs), and direct financial stipends for participants. Around 12 disability students participated in the event. This targeted initiative proved highly beneficial and supportive for the unique needs of BGCW's disabled student community. The event concluded successfully with a formal vote of thanks delivered by Placement Officer Ms. S. Varalakshmi.

[Empowering Women – LIC's Bima Shakti Yojna](#)

On March 6, 2025, the Placement Cell of Bharathidasan Government College for Women (Autonomous), Puducherry, organized an outreach program titled "Bima Shakti Yojana to Empower Women" at the college Conference Hall. The event was presided over by the College Principal, Dr. R. Veeramohan, and commenced with a warm welcome address by Ms. S. Varalakshmi, Assistant Professor of Computer Science and Placement Officer. Following this, Dr. N. Chandra,

Assistant Professor of English and Placement Officer, introduced the guest delegates from the Life Insurance Corporation of India (LIC). During the session, Mr. Janarthanan Chetty, Senior Divisional Manager of LIC, Vellore, delivered a motivational talk highlighting how women can leverage career opportunities with LIC to achieve true financial independence. Mr. Ragothaman, Division Officer of LIC, Puducherry, further

encouraged the audience by detailing the various welfare schemes and financial benefits available to women under the Bima Shakti Yojana. The successful program, which directly benefited more than 70 students, was smoothly coordinated and executed by the placement officer duo, Ms. S. Varalakshmi and Dr. N. Chandra.

Report on Career Development Program -

Startups, Entrepreneurship and Incubation

The Placement Cell of Bharathidasan Government College for Women, in collaboration with the Directorate of Higher and Technical Education (DHTE) and the Atal Incubation Centre-Pondicherry Engineering College Foundation (AIC-PECF), organized a highly engaging Career Guidance Program for final-year undergraduate students. The event began with a warm welcome address delivered by Placement Officer Dr. N. Chandra, setting a collaborative tone for the day. The Principal Dr. Veeramohan presided over the function and emphasized the importance of Financial Independence through Entrepreneurship.

The keynote session featured Mr. Vishnu Varadhan, CEO of AIC-PECF, who introduced the core concepts of "Startups, Entrepreneurship & Incubation." He demystified the modern startup ecosystem, explained how creative ideas can be transformed into viable business models through structured incubation support. He emphasized that entrepreneurship is a powerful platform for young women to become job creators rather than job seekers, driving both innovation and economic independence.

Following the keynote address, Ms. S. Varalakshmi, Placement Officer, deliberated on the talk, emphasizing the practical relevance of incubation facilities for aspiring student entrepreneurs. The session then transitioned into a vibrant interactive segment with 70 actively participating students. The program concluded with a formal vote of thanks by student Ms. Mathumitha.

Report on Career Guidance Program

1. Career Enhancement Course Conducted by DEED

The Placement Cell of Bharathidasan Government College for Women, in a strategic collaboration with the non-governmental organization DEED, successfully organized a comprehensive Career Development Program during the year 2023. Designed to equip students with industry-relevant, practical expertise, the initiative featured four distinct, highly specialized technical training tracks. The skill development modules witnessed enthusiastic student engagement, structured as follows: By bridging the gap between academic learning and vocational proficiency, this collaborative initiative successfully enhanced the technical employability and career readiness of the participating students.

- Computers & Peripherals Installation Technician – 23 participated
- Handset Repair-83 participated
- Computing & Peripherals Field Technician-25 participated
- CHM - A Level – 39 participated

By bridging the gap between academic learning and vocational proficiency, this collaborative initiative successfully enhanced the technical employability and career readiness of the participating students.

Career Development Program with DEED an NGO- 2022-23

2. Career Development Course in Collaboration with NASSCOM -SkillDA

In the month of October 2022, a major boost to student employability, the non-governmental organization DEED, in collaboration with NASSCOM, successfully conducted a series of advanced Career Development Courses. The initiative offered two highly relevant digital pathways:

1. Foundational DXC Digital 101 Journey, which drew 139 participants
2. Online non-credit Google Project Management Professional Certificate Course, with an impressive enrolment of 329 participants.

Demonstrating commendable dedication across these challenging curricula, a total of 135 students spanning various academic disciplines successfully fulfilled all requirements to achieve full course completion.

Career Development Program : NASSCOM Certificate for two courses
